

# Biloxi Medical Center - Covered Walkway Project

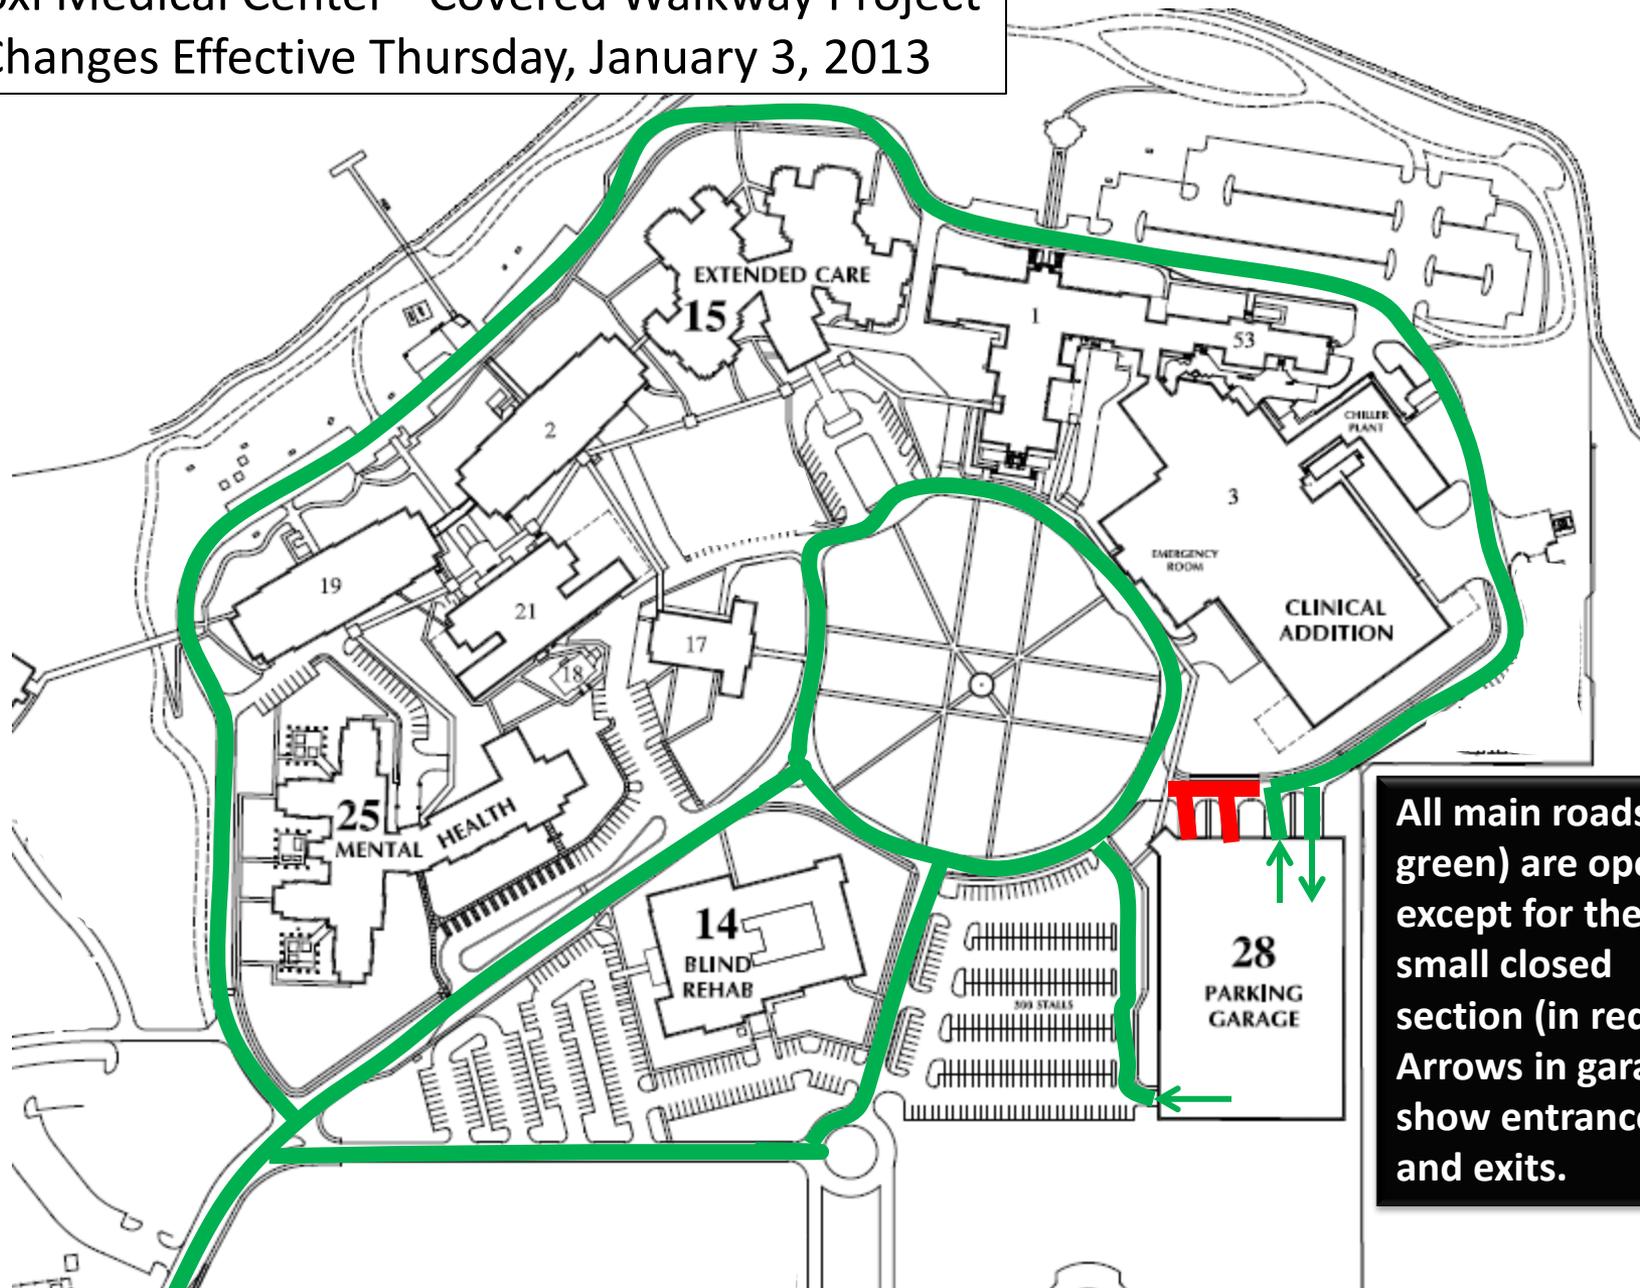

## Changes Effective Thursday, January 3, 2013

- Roadway north of parking garage and south of Building 30 closed for two months
  - Vehicle traffic to/from Parking Garage will use the road running along the Back Bay, north of Buildings 1, 2, 15, 19, and 53.
  - Circular drive leading to Building 3 entrance, ambulance entrance, valet drop off, and Building 1 dock is not affected
  - Blue arrows show the north entrance/exit of parking garage that remain open
  - Vehicles can still exit Parking Garage on southwest corner
- Green lines – pedestrian walkway
  - Solid = existing sidewalks or blocked off drive
  - Double stripes = crosswalks
  - Dashed = temporary sidewalk or fenced walkway at edge of drive
- Orange lines – barricades to block vehicle traffic
- Red line - construction fence
- Grey area - construction area
  - Area 1 under construction through July 2013
  - Area 2 under construction through Feb 2013
- Parking Lot by Parking Garage becomes patient parking only (7 a.m. to 3:30 p.m.) during this period

Questions may be directed to the CARES Office at extension 35299 or 35365

Biloxi Medical Center - Covered Walkway Project  
Changes Effective Thursday, January 3, 2013

All main roads (in green) are open except for the small closed section (in red). Arrows in garage show entrances and exits.
