KNOW YOUR VA | New Patient Orientation

Patient Aligned Care Team (PACT): Welcome

Welcome to the Gulf Coast Veterans Health Care System and thank you for your military service to the United States of America.

We are truly honored you have chosen to entrust the VA with your health care service needs.

We want to help you “Know Your VA.”

The purpose of this presentation is to help our Veteran clients learn how to contact their Patient Aligned Care Team (PACT).

Patient Aligned Care Team (PACT)

PACT is the way the VA delivers primary care health services to our Veteran clients.

PACT is based upon an evidence-based model of health care known as the Patient Centered Medical Home (PCMH) Model.

RATIONALE - Better health outcomes are achievable when a team of health care professionals partners with a Veteran client.
